Added 50% To Tire Mileage

A Boston tire dealer, for three years, has
gathered data on Miller Tires. And he re-
ports as follows:
Users find their tire mileage increased 50
per cent to 75 per cent.

Blow-outs have been eliminated.
Uniform mileage has been accomplished.
Only six tires in 1,000 come back for re-
placement—only five Miller Tires in a year.
A Louisville dealer compared wear and
on 116 styles of tires which he repaired. The
stand Miller supremacy has caused him to
handle the Miller Tires only.
A California stage line made million-mile
parisons with 21 leading makes. And
the Miller won by long odds.
You owe yourself as comparison
on your own car. The Miller is the
tire of the day.

Divorces are on the increase
in the State of Virginia. In
the city of Richmond in the
year 1919 there were 600 cou-
ples freed from marital bonds,
which was a decided increase
over any previous year. And
the year 1920 promises to lead
1919 by a goodly number, there
having been up to July 24 450
divorces granted in that city.

At a meeting of the Board of
Supervisors today, the Board
appropriated \$5,000 towards
building a steel bridge over
James river at Bent Creek, on
the condition that C. & O. Ry.
Co. will build and maintain
said bridge within two years.
This is a wise expenditure of
the public funds and will serve
a large section of our county
people on the north side. Now
or a good road from Bent
Creek to Appomattox.

Says Tucker Will Have Easy
Sailing
According to W. L. Dennis,
of Grundy, Buchanan county,
there will be little use in any
man opposing Harry St. George
Tucker for the gubernatorial
nomination next year. The
latter appears to have the prize
tucked away, and it is his by
default. Mr. Dennis has re-
cently traveled over certain
sections of the State, following
in the wake of Mr. Tucker, and
he finds that the Valley man is
sweeping all before him. In
fact, Mr. Dennis opines that
the nomination will be unanimous.
Mr. Tucker has been campaign-
ing since the last session of
the legislature, his slogan be-
ing "Back to the constitution,"
and he has been receiving flatter-
ing welcome in every direc-
tion.

First Cotton Export.
The earliest exports of cotton from
America were made in 1785, in which
year one bag was sent from Charleston
to Liverpool, while 12 were sent from
Philadelphia and one from New York.
